MEMORANDUM FOR THE RECORD

SUBJECT: Special Demonstration for Planning Group

1. Arrangements have been made for members of the Planning Group to see a special demonstration of the Flexowriter and Teletype M-19 electric typewriters.

2. The Flexowriter is now being used in the Teletype communicating scheme, as well as for a variety of other purposes. It is the machine to be used in the [] test of the [] Reporting System. The M-19 is standard equipment in communications operations throughout the world. Both machines are being considered for employment in the [] Reporting System.

3. The special demonstration will take place:

DATE	TIME	PLACE
Monday, 9 March	1430	1202 "L" Building (M-19 location - the Flexowriter will be demonstrated in a 2nd location nearby)
